RESPONSE TO RESTRICTION REQUIREMENT

COMMISSIONER FOR PATENTS
ALEXANDRIA, VIRGINIA 22313

SIR:

In response to the Election of Species Requirement dated October 10, 2007,
Applicants request reconsideration and modification of the seven groupings of species to
include Figures 8-11 and 15 which are not listed in the Election Requirement. This request is
made because Figures 8-11 indicate a system corresponding to a digital camera shown in
Figures 3-6, respectively, and Figure 15 relates to a second flowchart for processing an
operation judgment. The proposed grouping of species is as follows:

Species I: Figures 3 and 8;
Species II: Figures 4 and 9;
Species III: Figures 5 and 10;
Species IV: Figures 6 and 11;
Species V: Figure 12
Species VI: Figure 13;

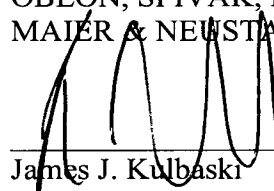

Species VII: Figure 14

Species VIII: Figure 15.

Applicants provisionally elect Species I, including Claims 1, 2 and 6. If the Examiner modifies the election requirement as requested, Applicants elect Species I, with Claims 1, 2, 6, 7 and 8 readable thereon. Accordingly, an Office Action on the merits is respectfully requested.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
